Features Benefits

European Design and Engineering	Elegant chrome finish that greatly impresses and which will suit all types of kitchen sinks, products and worktops. It is a durable design that is easily cleaned and maintenance free.
360° Swivel Spout	Allows better access to the sink for washing large items.
Swivel Ended Spout	The front part of the spout can be turned, making it easier to fill large bottles.
High Clearance Outlet	Giving greater ability to clean larger items in confined space.
Ceramic Disk Cartridge	Durable and long lasting ceramic disk technology.
Stabilising Plate	Increases the stability of the tap when fitted in stainless steel sinks.
