### Features

### Benefits

#### Engineered in Germany

Over 90 years of Stainless Steel know-how make Blanco one of the world leaders in sink manufacturing, which translates to superior products for your home.

#### Inset flushmount installation

This elegant IF flat rim not only has an appealing flush fit but it makes it much easier to clean around the sink.

#### 18/10 Surgical Grade Stainless Steel

Engineered from surgical grade stainless steel and with Blanco's satin finish, this sink is the ultimate food preparation area.

#### Large 53L capacity main bowl

Accommodates the largest of baking trays, woks and other bulky kitchen utensils.

#### Tight radius corners

The small radius maximises useable space in the bowl to allow for larger pots and pans. Also allows for easy cleaning.

#### Broad range offering

Varying sizes available. You can create a design utilising just one bowl or a collection of bowls from the range.

#### Integrated overflow – Plumbing kit supplied

No overfilling of the main bowl, prevents damage to the kitchen.
