BFC60GMX

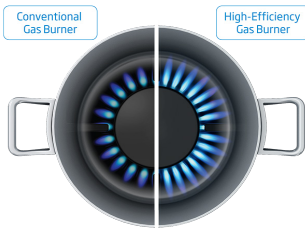

60 cm Stainless Steel Dual Fuel Upright Cooker

Multifunctional Cooking - Bake perfect cupcakes, roast a delicious Sunday dinner or use the grill to make a hearty but healthy breakfast. A multi-function oven provides you with the ultimate in cooking flexibility by combining a fan and conventional oven, a grill and a host of different cooking functions

Extra Large Capacity- We understand how busy your home life can get and how important it is to be able to cook more food in one go. Whether you're making a meal for one, or preparing dinner for your whole family, cooking is made easy with a large oven capacity of 82L.

High Efficiency Gas Burners- Don't let a busy day cost you a healthy meal. Now you can cook every meal faster and more efficiently on the cooktop. High Efficiency Gas Burners use less gas and cook more quickly than standard burners. So even when you're short on time, you can put your favourite meals on the table fast.
