PUSH TO OPEN DRAWER

The push-to-open operation is effortless and functional while offering perfect alignment with other built-in appliances.

VARIABLE TEMPERATURE CONTROL

Pre-set temperature settings from 30°C to 85°C, ideal for a wide variety of applications from proving dough to warming crockery.

SILICON ANTISLIP MAT

A removable silicon antislip mat prevents crockery from moving during operation and allows easy cleanup of spills.

LINEA DESIGN

Distinctive products that incorporate modern minimalist design trends, the Linea aesthetic is characterised by symmetrical lines, balance and light. Any combination of premium Linea appliances will make a real style statement in the kitchen.
