

GIGA 6

Perfection, precision and professionalism
in a new dimension

The benefits at a glance

- Two ceramic disc grinders with Automatic Grinder Adjustment (A.G.A.) for consistently even grinding
- Coffee and hot milk/milk foam can be prepared simultaneously to create flawless trend specialities
- 5-star handling, even during cleaning and maintenance
- Large, 4.3" high-resolution touchscreen color display featuring artificial intelligence for simple, intuitive operation

JURA is redefining the concept of automatic speciality coffee machines with the GIGA 6. This professional machine for household use is brimming with the latest technology for outstanding results. Made of top-quality materials and with Swiss precision, the GIGA 6's clear design features radiate power and expertise. The impressive quality of the iconic new automatic coffee machine is emphasised by the solid front section made of 3 mm-thick aluminium and the weighty aroma preservation cover made of chrome-plated, die-cast zinc. Operating this masterpiece of Swiss engineering is completely intuitive thanks to the touchscreen display and the Blue Crystal Rotary Switch, and the icing on the cake is that coffee lovers can choose from 28 different specialities. 5-star handling on a whole new level is made possible by artificial intelligence and the ingenious design, which has been carefully considered right down to the last detail.

GIGA 6

Technical overview

Specific advantages

No. of individually programmable specialties	28
Smart mode (artificial intelligence)	■
One-Touch Lungo function	■
One-Touch function	■
Intelligent preheating	■
Automatic Grinder Adjustment (A.G.A.)	■
Intelligent Water System (I.W.S.®)	■
Automatic switchover from milk to milk foam	■
Compatible with J.O.E.®	■
Rotary Switch	■
Wireless ready	■
Smart Connect supplied as standard	■
Recognition for second, ground coffee	■
Active bean monitoring	■
Monitored drip tray	■
Aroma preservation cover	■
Integrated storage compartment	■

JURA standards

Pulse Extraction Process (P.E.P.®)	■
Variable VC brewing unit, from 5g to 16g	■
Intelligent Pre-Brew Aroma System (I.P.B.A.S.®)	■
Grinder	2 electronically adjustable ceramic disc grinders
High-performance pump, 15 bar	2
Thermoblock heating system	2
Fluid system	2
JURA fine foam technology	■
Milk system	HP2
Maintenance status display	■
Integrated rinsing, cleaning, and descaling program	■
Integrated milk system rinsing and cleaning program	■
JURA hygiene: TÜV-certified	■
CLARIS filter cartridge	CLARIS Smart
Energy Save Mode (E.S.M.®)	■
Zero-Energy Switch or power switch	■

Settings and programming options

Programmable and individually adjustable amount of water	■
Programmable and individually adjustable coffee strength	10 levels
Programmable milk/milk foam temperature	10 levels
Store, copy and personalize products	■
Programmable brewing temperature	3 levels
Programmable amount of milk/milk foam	■
Programmable temperature of hot water	3 levels
Programmable switch-on/switch-off time	■

Design and materials

Alu Frame Design® 3 mm	■
Display	Touchscreen colour display
Amber/white cup illumination	■
Powder chute for second, ground coffee	■
Sound design	■

In figures

Height- and width-adjustable dual spout	69 – 158 mm/ 20 – 50 mm
Height-adjustable hot water spout	69 – 165 mm
Water tank capacity	2.6 l
Bean container capacity	2 × 280 g
Coffee grounds container (servings)	approx. 20
Cable length	approx. 1.2 m
Voltage/power	220 – 240 V~ / 2300 W
Stand-by power	< 0.5 W
Weight	18 kg
Dimensions (W × H × D)	32 × 41.5 × 48 cm
Article number / color	15130 / Aluminum
