The Art of Ease

Product Code LTL10PMVJWT

Dual Waterfall

with Efficient Interior Impeller Design

The innovative Dual Waterfall feature is purposefully designed with a two-tier waterfall channel that works with both high and low wash loads, ensuring extensive coverage for your clothing. For ultimate clothing care and optimal washing efficiency, the interior impeller creates strong water movement help reduce washing time, decrease water usage by 17%*, and enhance energy efficiency by 10%*

Flexible Detergent Drawer

The Flexible Detergent Drawer**, equipped with a rotary mechanism, accommodates both liquid and powder detergents for seamless and smooth dispensing. Intuitive indicators guide you to the optimal detergent measurement for your selected wash programme, ensuring efficient dissolving and a hassle-free laundry experience.

Soaking Function

The Soaking Function* is designed to effortlessly tackle heavily soiled clothes. It works by gently loosening tough stains before the main wash cycle begins. The drum fills with water, immerses clothing in detergent, and provides gentle agitation for a set time, ensuring a thorough pre-treatment.

Rear Control Panel

Easy to Reach

The rear control panel** is thoughtfully designed for ergonomic convenience, ensuring that all controls are within easy reach. The inclined panel design remains dry when unloading clothes, thus ensuring practical functionality.

Experience easy laundry unloading with the shallower depth design that maintains generous capacity without the need for overreaching**.

Compact Width

Only 59cm Wide

A very compact 59cm wide machine means this 10kg model still can manage a full family load and fit conveniently in even the smallest laundry.

Air Jet Dry

Enjoy shorter drying times with the Air Jet Dry* feature, drum rotation efficiently reduces moisture from your laundry, ensuring faster drying for your clothing.

Soft Close Door

The soft-closing lid*, designed for both safety and practicality, adds a touch of serenity to your laundry rituals. Closing gently and quietly allows you to effortlessly continue with your tasks, even when carrying a laundry basket, for a comfortable and convenient laundry experience.

Glass Durability

The tempered glass lid** is highly durable and not only resists damage and scratches but also adds a touch of elegance to your laundry space.
