## KEY FEATURES

### European Made External Motor

Sirius External Motors (SEM) are designed for quietest hood ventilation. External motors reduce noise by being located away from the hood. Rest easy with our 10-year motor warranty for lasting performance.

### Aluminium Mesh Filter

Easy to install and maintain, but it also provides superior filtration capabilities. Designed with a special deep pleat design that helps capture cooking odours before they enter the room.

### 4 Speed Settings

Sirius Rangehoods offer 4 speed settings. Levels 1 to 3 for light to normal cooking and level 4 for smoky or intense cooking. Covering all your cooking needs.

### Induction Safe

This rangehood boasts efficient filters and extraction capabilities to effectively manage increased steam and moisture levels resulting from minimal ambient heat compared to gas cooking methods.

### 1 x 5W Led Strip

The light strip around the top of the downdraft offers bright illumination and adds a stylish touch. Enhanced visibility ensures precision while cooking.

### Hand Crafted in Italy

Sirius Rangehoods, a prestigious Italian brand founded in 1996, is renowned for its bold designs and commitment to premium materials and craftsmanship, making it a top choice for high-end rangehoods.
