LIEBHERR

2.4" Touchscreen Display: Located behind the appliance door, this high-resolution and high-contrast 2.4" touchscreen display can be read from any angle. Stored menu options are intuitive and easy-to-operate.

Presentation Shelf: Display your prized possessions or simply store open bottles on the presentation shelf located within the dual zone wine cellar.

VarioSpace: Nearly all freezers include drawers and glass shelves that can be conveniently removed to create extra storage space. It's Liebherr's very practical solution to quickly accommodate even bulky items.

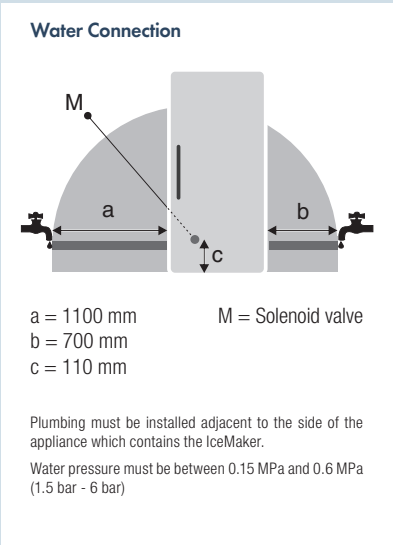

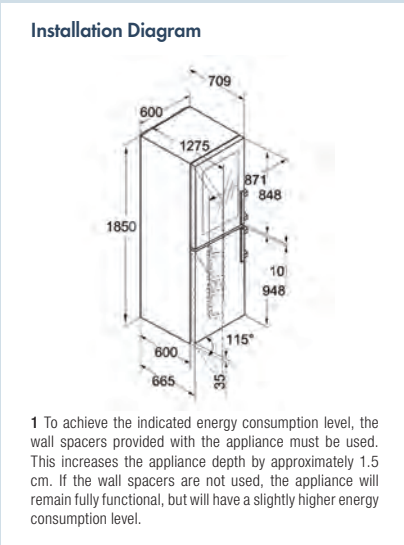

Introducing Liebherr's **SWTNeS 4265** freezer with wine cellar compartment from the BluPerformance range.

This eye-catching unit boasts an array of innovative solutions including a dual zone wine compartment and NoFrost freezer with an internal IceMaker and VarioSpace, the storage solution for irregular sized frozen goods. With a 2.4" colour touchscreen display, it is a breeze to operate.
