BENEFITS

FlexSpace Fully Convertible Drawer
With the widest temperature from -23C to +7C our FlexSpace Convertible Drawer adapts to your needs with the touch of a button*. With 5 predefined settings you can chill your drinks, freeze your meat or store your deli snacks, taking the headache out of the fridge and freezer shuffle. *within 2 hours

Dual Freezer Storage
With extra freezer space, you can arrange your frozen items in a way that suits your lifestyle. Place the most important items like ice cream in the top drawer and pre-prepared meals when mums away in the bottom drawer.

FreshSeal™ Easy Glide Crispers
FreshSeal crispers with automatic humidity control give you the flexibility to look after your fruit and vegetables the right way. Designed with your comfort in mind, the easy glide crisper bins open effortlessly and provide easy access even when theyre full.

SmartSplit Door Design
Optimally split doors give you more usable space in your fridge door. You can reach larger items in a quick and easy manner, saving you the need to open both doors every time.

Filtered Ice and Water Dispenser

The dispenser provides fresh, filtered water as well as cubed or crushed ice at the touch of a button for all your family needs.

Slide Back and Flip Up Shelves

The flexibility to slide back or flip up some of the fridge shelving makes fitting those extra tall items or large platters a piece of cake.

SnackZone

The SnackZone is the ideal compartment for family favourites. The optimal height for even the smallest family members to reach, ensuring healthy snacks are always available.

DualCooling

With the DualCooling system, the fridge and freezer compartments work independently to maintain the optimum temperature and humidity to keep foods fresh or frozen.
