Product Details

FEATURES

AirFry	Twin Fan System	Fast Heat Up	Telescopic Runners One set of telescopic runners
Large 125L gross oven capacity	Programmable timer	Easy guide side racks	Cooler to Touch Doors
Dark Stainless Steel Finish			

BENEFITS

AirFry for that perfect, crunch
When a food craving hits, make healthier and delicious food right in your oven with minimal oil. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

Even cooking twin fan system
Our twin fan system that works to evenly distribute heat throughout the oven so you can enjoy delicious results every time.

Dinner's done sooner with our fast heat up oven
Why wait longer? Our fast oven heat up means you can get on with the job of getting dinner on the table sooner.

ACCESS ALL AREAS WITH EASE
Telescopic runners make it easy for you to slide trays in and out of the oven. This provides safe, effortless access, making it easier to baste during cooking or check on how a dish is coming along. The runners also make light work of lifting and removing hot trays or heavy dishes.

All the room for all your family favourites
If you are serious about creating delicious family feasts and you love entertaining, you'll be right at home with our 90cm oven with a generous 125L gross capacity. That's plenty of room for the biggest Christmas turkey or a weekend roast for all the family. The extra width makes getting things in and out super easy.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

Place your shelves in with ease
Our easy guide side racks allow you to place your oven
shelves in with ease.
